

Ignite their passion for cooking through fun.
KID & TEEN CLASSES | CAMPS | BIRTHDAY PARTIES

 uncorked kitchen™
The joy of food in the making

Enough of the same ol'-same ol'

Why not give your kids a new experience while at the same time teaching them an invaluable life skill? Hands-on, healthy fun with our talented (patient) instructors teaches them how to cook, eat healthy, and leverage all those math, reading and science skills they've been working so hard on in school.

Uncorked Kitchen is Denver's newest interactive dining experience catering to kids and, we'd like yours to come and share the joy of food in the making. Imagination. New friends. And, great food are all waiting for your kids in our kitchen.

The perfect extra-curricular edible escape!

- Our classes, camps, and birthday parties are tailored to skill levels to help your budding chefs learn and grow their confidence in the kitchen while cooking up fun.
- At the end of each class or camp, students proudly take their delicious creations home to share with the family (serving a family of three to four).
- Kids and teens will expand their minds through every aspect of cooking with imaginative menus, interactive classes, new and interesting ingredients, and just-like-home tools.
- Celebrate your kid's birthday with a themed party that is no muss, no fuss for you! Parents can drop off or relax in the wine bar while the kids learn how to make their favorite treats and more.

Limited spots available.
Secure your kid's apron
today to get 'em cooking!
